Fetch: Add the card to your inventory from the specified zone then put this card into the specified zone.

Recycle: Place a card from your discard to the bottom of your deck.

Scrap: Send the top card of your deck to the discard.

Steal/Stolen: Add a card from a designated area to a “stolen card” pile. Comp Rules Updates:

- Fetching from the deck requires shuffling of your deck after resolution.
- Brute Squad Legends are played as Legends but enter the Battledome as Equipment and are treated as Equipment, in addition to their other card types, while they are in the Equipment Slot.
- Added: 8.17.3a: Non-Food cards with conditional abilities cannot be added to the queue unless the queue is empty.

FAQ Clarification:

- Bury: When a card would be buried from a different zone, it does not trigger discard based effects.
- Sniddberry: This effect applies to the next instance of one or more dice being rolled. Look out for an update to comp rules.
