

Comprehensive Updates 1.2.0

Relevant Changes

START change (11.62): At the beginning of **your** start phase,...

Developer Notes: The intent of START was to trigger during your start phase not every start phase.

Section Updates

- **(3) Game Concepts**
 - (3.18) Clarified Object section
 - Champions that move from one champion zone to another do not become new objects.
- **(10) Additional Rules**
 - (10.1) Renamed section to “Each player” Effects
 - Cards that affect multiple players will proceed clockwise starting with the controller of the card effect.

Card Errata

White Lotus

Gain [INFLUENCE 3] for this turn only. Skip your next influence step. You can play only one more card this turn.

[NEW TEXT]

Gain [INFLUENCE 3] for this turn only. Skip your next **Influence Phase**. You can play only one more card this turn.

Yatagarasu, Carrion Guide

[OLD TEXT]

SUMMON — If an opposing player has three or more stunned champions, they skip their next Draw Step.

END — Retreat this champion.

[NEW TEXT]

SUMMON — If an opposing player has three or more stunned champions, they skip their next **Draw Phase**.

END — Retreat this champion.

Thessaly Covenstead

[OLD TEXT]

During the opposing players' turn, when they have stored an amount of Ikorr on opposing champions equal to the number of players, their action phase ends.

[NEW TEXT]

During the opposing players' turn, when they have stored an amount of Ikorr on opposing champions **greater than** or equal to the number of players, their action phase ends.

Humiliation

[OLD TEXT]

Deal 1 damage to each champion. Repeat this effect until a champion dies.

[NEW TEXT]

Deal 1 damage to each champion. **If one or more champions are dealt damage in this way and survive, repeat this effect until a champion dies.**
